Friends,

We are thrilled to announce that once again, Advantage Toyota in Barboursville has graciously given us a vehicle to raffle! For \$10 per ticket, you can contribute to help sick children and their families during a time of medical crisis and be entered to win a 2018 magnetic gray Toyota Rav4.

Ronald McDonald House Charities of Huntington provides a “home away from home” for families with seriously ill children receiving medical treatment. RMHs are located near hospitals that provide specialized care for children. Twenty-four hours a day, 365 days a year, our House in Huntington offers children facing critical diagnoses, and their families, a refuge from the hospital: a room of their own with comfortable beds, kitchen and laundry facilities, meals, toiletries and toys for the kids – all free of charge, because we want them to focus solely on getting well.

Every day, we help families like Holdyn’s, a 7-year-old bravely battling cancer, or baby Adalyn, born weighing just under a pound. There are many more who face epilepsy, heart conditions or car accidents. Many of these families travel the miles to Hoops Family Children’s Hospital. Without Ronald McDonald House, they would need to find a hotel room, or worse, some families would simply sleep in their cars.

Please join us in helping families facing their worst nightmare. We believe keeping mom and dad close is the best medicine, but we can’t do it without help from generous donors like you.

Thank you for your support and best wishes from all of us at Ronald McDonald House.

All proceeds benefit Ronald McDonald House of Huntington.
